Remarks

Behind some of the division signs (divs. 1, 7, 8, 9, 10, 11), there are multiple little dots. These may indicate that the scribe made markings to help space the signs before notating the whole piece.

The piece is indicated in makâm Baytâr Sabâ in TR-Iüne 203-1.

Structure

H1	: 9/T :
H2	: 12/T :
H3	: 11/T :
H4	: 11/T :

The last division of the teslîm is given in parentheses as if there is a second ending. Therefore, the parentheses are assumed to signalize a repetition.
