Pitch Set
Notes on Transcription

- 1 : omit. The div. sign was added by the editor on the basis of TRT_MD_0374.
- 1.3 The scribe seems to have omitted a group from the division. The group is added by the editor based on TR-Iboa TRT.MD.d_0374 (~~~~), albeit adapted to the melodic progression.

- 2.3.4 Possibly ρ for ρ .
- 5.4.4 Possibly ρ for ρ .
- 9 : omit.
- 11.3.1 There is an irrelevant dot underneath the pitch sign.
- 14 : omit.
- 14.3.4 Possibly ρ for ρ .
- 15.2.2 There are two ink blots close to the pitch sign.
- 15.3 There are several ink blots surrounding the group.
- 15.4.1 There is an ink blot close to the pitch sign.
- 25.4.1 It seems that a single dot or kisver above the pitch sign was deleted by the scribe which left a blur.
- 28 The scribe omitted the last division of the usûl cycle. It is added in brackets by the editor on the basis of previous endings at divs. 4 and 24. TRT_MD_0374: \sim
 ρ .
- 41.2 The group was erroneously written twice by the scribe.
- 65.1 The scribe erroneously notated the div. sign : after the group. It is added by the editor at the correct position in the transcription.
- 66.2 The scribe erroneously notated a div. sign after the group.
