 zülfüne NE3466 | mükerrer] The instruction “mükerrer” in square bracket, which the  
 editor added at times in the block lyrics, is based on the text underlay of the music edition.  
 It is indicated whenever a hemistich is repeated in the music or given in the text underlay  
 twice consecutively. 13 Lyricist Nevres-i Cedîd] The lyrics consist of the first two distiches  
 of a five-couplet gazel in *Ēser-i Nâdir* by Osmân Nevres (d. 1876), also known as Nevres-i  
 Cedîd, to distinguish him from the earlier poet Abdülrezzâk Nevres (d. 1762); see Kaya  
 2010, 699.
