Remarks

The piece is recorded with usûl muhammes in TR-Iüne 211-9[a] and TR-Iüne 211-9[b]; usûl sakîl in TR-Iütâe 249[S1] and TR-Iütâe 249[S2]; usûl hafîf in TR-Am MFA-A-944. No usûl is mentioned in TR-Iam EY_1537, TR-Iütâe 107 and TR-Iütâe 249[N]. Usûl muhammes is used in the transcription.

The usage of closing parenthesis together with the end cycle sign (❖) at the end of teslîm section could be interpreted as a repetition of the hâne or teslîm.
