Remarks

There is a small circle-shaped pencil mark on the left side of the heading of the piece, which was possibly used by a later hand as a marker. It is the first time we observe black ink usage by the scribe for the heading, compared to red ink usage until this piece.

The usage of end cycle sign (❖) and mîm letter (❖) at the end of H4 are interpreted as a repetition based on TR-Iboa TRT.MD.d 290.

The piece is attributed to Mehmed Rızâ Dede in TR-Iütae 249[B], Kâtib Çelebi (1609–1657) in TR-Iboa TRT.MD.d 290, and Yahûdî in TR-Iboa TRT.MD.d 321.
